THE TIMBERS

AT ISSAQUAH RIDGE

Dear Timbers Residents,

Thank you for your residency and allowing us the opportunity to serve you. To assist you in making your move as easy as possible we have put together some useful information and a few reminders.

You will need to contact the utility companies (cable, internet, electric, and telephone) before you move to have your service disconnected and taken out of your name as of the last date of occupancy. You will also want to file a change of address with the local post office at least two weeks before your actual move.

We receive many questions about the cleaning guidelines for apartments. Generally, your apartment should be left in the same condition it was when you first moved in. You may choose to personally clean your apartment or hire a service to clean your apartment. If you leave the cleaning to us, you will be charged a cleaning fee that depends on the size of your apartment. Whichever option you choose, be certain you have allowed enough cleaning time before turning in your keys.

We recommend that you contact the office a few days before you will be returning keys to schedule a final inspection of your apartment. During the walk through inspection, I will note any items that require cleaning, repair or replacement and discuss charges for these items with you. Generally, this takes about 15 minutes and you must return keys at that time. If you are unable to participate in the walk through inspection or you move out over after hours, management will conduct the inspection and document any charges.

All rent still due and owing is to be paid in full before vacating your apartment. Charges for cleaning, repairs, replacements, or unpaid fees/charges will be deducted from your apartment deposit. You will be notified by mail of any deposit refund/forfeiture, or any additional monies due in accordance with the lease agreement.

We enjoyed having you as a resident and hope that, if you find yourself in need of an apartment in the future or have the opportunity to recommend an apartment to a friend, you will consider us. If you have any additional questions or concerns regarding your move, please contact me. Best of luck to you in your future endeavors!

Sincerely,
Elizabeth Forkell
Community Manager
